

Class 18 Pre-Work

1. For Director's Roles, Values & Responsibilities, please read the following brief publication and also watch the below video
 - a. http://www.pepperlaw.com/publications_update.aspx?ArticleKey=2741
 - b. <http://sproutvideo.com/videos/e89bd9b71819e7cd60> (password: kfp123)
2. For Real World Ethics: Our Personal Code, please come prepared to answer the following question
 - a. Come to class ready to share an ethically sensitive situation you have encountered at work or a situation where you are concerned that someone is not being treated well.
3. For the Harvesting Investments, please read the attached document: Harvesting Investments
4. For Future Scenario Planning, please read the attached document: Conference Board. Scenarios. All the Options
5. For Visual Thinking, please be prepared to answer the following questions:
 - a. Take a few minutes to think about your own Kauffman Fellows field project, not as a business venture, but as an adventure. Who might be the hero? Who might be the sidekick? Who might be the villain? What might be the goal? And most important, when your project succeeds, what might be the moral of your story?
